

# AYEBOLA JOAN ANJOLA

Email: [joanayebola1@gmail.com](mailto:joanayebola1@gmail.com)

LinkedIn: [Joan Ayebola](#)

## Objective

Detail-oriented technical writer with a passion for clarity and precision in communication. Skilled in translating complex technical concepts into clear, concise documentation for diverse audiences. Seeking opportunities to leverage expertise in technical writing to contribute to the success of innovative projects and products.

## Education:

- Web Development: HTML, CSS, and JavaScript for Web Developers - John Hopkins University on Coursera
- Web Development: HTML, CSS, and JavaScript for Web Developers - Colt Steel on Udemy
- BSc in Computer Science – Olusegun Agagu University of Science and Technology (In view)

## Skills:

- Proficient in technical writing tools
- Experience with version control systems (e.g., Git) and content management systems (e.g., WordPress).
- Strong understanding of style guides and documentation standards.
- Excellent editing and proofreading skills, with a keen eye for detail and consistency.
- Ability to collaborate effectively with subject matter experts (SMEs) and cross-functional teams.
- Familiarity with Agile development methodologies and project management tools (e.g. Trello).

## Work Experience:
